Terms and Conditions

Terms and Conditions of Sale

1. Retention of Title

All goods supplied by Edenstone Masonry NQ remain the property of Edenstone Masonry NQ until payment in full has been received. Title to goods shall not pass to the applicant until the total amount due, including any applicable fees or charges, is paid in full.

2. Payment Terms

Payment terms are strictly 30 days from the date of collection or delivery of goods.

All invoices are due and payable within 30 days from the date of collection or delivery, regardless of the applicants project timelines or client payment arrangements, unless otherwise agreed in writing.

3. Credit Limit

The initial credit limit will be determined based on the customers trading history and credit assessment, typically ranging between AUD \$2,500 and \$10,000.

After a minimum of six (6) months of consistent, on-time payments, the account may be reviewed for a potential credit limit increase at the discretion of Edenstone Masonry NQ.

4. Interest on Overdue Accounts

Interest on overdue accounts will be charged at a rate of 2% to 8% per month, calculated daily and compounded monthly until the account is paid in full.

5. Suspension of Credit Facilities

Edenstone Masonry NQ reserves the right to suspend or withdraw credit facilities at any time without notice if payment terms are not met.

6. Recovery Costs

The applicant agrees to indemnify Edenstone Masonry NQ for all reasonable recovery costs, including legal and collection expenses, incurred in recovering overdue amounts.

7. Discount Policy

Discounts may be applied solely at the discretion of Edenstone Masonry NQ and are determined by factors including order quantity, payment timeliness, and the ongoing trading relationship between both parties.

Accounts paid on or before the due date may qualify for discounts of up to 20%, depending on these factors.

For accounts paid after the due date, any applicable discounts may be reduced or revoked entirely; a separate invoice will be billed accordingly at the discretion of Edenstone Masonry NQ.

Customers with a history of overdue invoices will forfeit eligibility for discounts on current and future orders until all outstanding amounts are settled in full and the account has been returned to satisfactory standing.

8. Freight and Handling

Edenstone Masonry NQ does not accept responsibility for damage or loss of stock during freight, handling, or delivery by third-party carriers once goods have left the premises.

9. Incorrect Orders

If the incorrect product is ordered, Edenstone Masonry NQ will not be liable for the cost of transport, return freight, or replacement.

Replacement orders are treated as new sales.

10. Product Standards and Variations

Colour and Appearance Variations

Colour and appearance variations of up to 10% are acceptable due to natural materials and manufacturing processes and do not constitute grounds for replacement or credit.

Damaged or Chipped Stock

Damaged or chipped stock of up to 10% is considered industry standard under CMAA Guidelines and AS 4455 / AS/NZS 4456 standards.

Dimensional Tolerances

Dimensional and thickness tolerances comply with AS/NZS 4455.2:2008 and CMAA MA55, as follows:

- Length/Width: 2mm
- Thickness: 3mm
- Warpage: 2mm
- Chipping: up to 10mm per edge or 10% of total units

11. Pricing and GST Terms

All product prices are exclusive of Goods and Services Tax (GST). GST will be added at the prevailing rate under the A New Tax System (Goods and Services Tax) Act 1999 (Cth).

Prices increase annually by 6% or the current CPI, whichever is greater, to reflect inflation and material cost adjustments.

These terms may be amended at any time by Edenstone Masonry NQ with written notice to the applicant.
