Robert Watson-Mudford
25 Forestglen Crest
Bahrs Scrub, QLD, Australia

Dear Robert,

BEENLEIGH CEMETERY – B/L06/515

On behalf of Logan City Council, please accept our sincere condolences on the loss of your loved one and the challenges that have arisen regarding the plaque and granite. We understand this is a deeply difficult time, and we truly appreciate the care and thought you have shown in honouring their memory.

I acknowledge that during your visit to Helen Watson-Mudford's resting place, you found the plaque had been placed incorrectly. I understand this may have caused you distress and would like to advise that Council has rectified this, as seen in the attached image.

I also apologise for the delay in the arrival of the granite flat. Unfortunately, the ordering process for granite can be lengthy, and as the colour you selected is one of the most popular, sourcing this specific colour has taken longer than anticipated.

Additionally, I regret any confusion caused by our earlier communication. Please be assured that we have now implemented measures to prevent similar issues from occurring in the future.

We greatly appreciate your understanding and cooperation in this matter. Please know that our intention is not to diminish your expression of remembrance, but to ensure the cemetery remains a safe and respectful place for all families.

Please contact Parks Business Support Officer on (07) 3804 4602 should you require further information.

Yours faithfully

Leanne Ness Wilson
